

FORNEY LAKE WATER SUPPLY CORPORATION

PO Box 2034 Rockwall, Texas 75087
5763 SH 205 South, Rockwall, Texas 75032 (972) 722-3203
www.forneylakewater.com

Please complete the bottom portion of this letter and return in the provided envelope.

1. If you DO NOT have a sprinkler system, check “no” at the bottom and return the form in the enclosed envelope.
2. If you have a sprinkler system, please continue reading the following information, check “yes” on the form below, and return the form in the enclosed envelope.
3. Failure to return the completed form will result in water service termination.

Forney Lake WSC takes pride in the water service we provide, and we strive for uninterrupted service. The water entering the distribution system is a protected potable water meeting or exceeding all State and Federal standards. Once the potable water enters the point of service, your water meter, it is the responsibility of the property owner to ensure backflow does not occur.

To ensure this protection, Forney Lake WSC requires that all irrigation systems be equipped with a testable backflow prevention assembly. Since the backflow prevention assembly is a fixture of your private plumbing system, you as the property owner are responsible for the annual testing and/or repairs of the backflow prevention device. This inspection is required by Forney Lake WSC and must be tested annually by a certified backflow tester. The hardcopy original must be provided to the Public Water System (PWS) as specified in Title 30 of the Texas Administrative Code 290.44(h)(4)(c).

You will need to hire a licensed tester that is registered with Forney Lake Water Supply Company. The inspection will take approximately 15 minutes. A list of registered licensed testers is located at www.forneylakewater.com.

The deadline for inspections to be returned to our office is May 1, 2020. Failure to comply with the backflow prevention testing will result in water service termination. A disconnection fee and backflow fee will be charged to restore service. Please contact our office if you have any questions at (972)772-0120.

Thank you,
Forney Lake WSC
